

# Youth Patriotism Awards Heritage Award GOLD (Adult)

## Purpose:

The Patriot Awards were designed to lead youth in the United States to a greater understanding of the amazing legacy we were given by our founding fathers. This legacy has afforded every person in the United States abounding freedoms that are often taken for granted.

The Heritage awards will lead you down a path of learning more about the rich heritage of the United States and give you ideas and activities to further learn more and have fun doing it.

## Award:

By aiding youths in the attainment of the Youth Patriotism Awards – Heritage Award, you are investing in the most valuable resource in America.

Remember, all requirements can be done with a unit, class, group, family, or individually and that you, the adult, should decide when a requirement has been met.

By helping a youth earn either the SILVER or GOLD Heritage medal, we would like you to be recognized as well. You, as an adult, are entitled to a GOLD Heritage medal once you have lead even a single youth to earning their Heritage medal. You also can earn Elective Stars that can be added to the ribbon portion of the medal. These Elective Stars are to represent the number of youths that have been led through the program.
